Proposal for variation to the admissions arrangements for September 2021

As Chair of Governors. I write to confirm that by Chair's Action, the Governing Board of this school resolve to propose that a variation be made to the admissions arrangement for admission to Reception Year in September 2021, in respect of over-subscription criteria relating to church attendance.

The variation requested is that "In the event that during period specified for attendance at worship the church or, in relation to those of other faiths, relevant alternative premises for that worship, the requirement of these admissions arrangements in relation to attendance will only apply to the period when the church, or in relation to those of other faiths, relevant place of worship, or alternative premises have been available for public worship."

This request is made in order that parents seeking admission to the school can readily determine what the admissions oversubscription criteria are and how they may be met, and thereby enable the school to deal lawfully, fairly and transparently with admissions matters in the exceptional circumstances of the COVID 19 pandemic.

For convenience, given that we understand a large number of similar requests are being made, the Governing Board consents to the Diocese submitting this request on our behalf, along with those of other schools making such requests for this variation.

This request is made in accordance with the DfE guidance on Governing Board business during the pandemic, as it is a matter of importance and is time limited, given the relevant admissions timescales.
